## BEERS

<b>AMBER 0.0 TOAST</b>	3,50€
Ambar 0.0 Tostada uses a variety of malts that give it its personal flavor, body and aroma. An original blend that fills the beer with aromatic nuances, structures its firmness and its great aftertaste.	
<b>AMBAR 10</b>	4,00€
10 varieties of hops and 10 degrees of alcohol. It is unctuous and persistent in the mouth, although the degree of bitterness is below what is expected, thus demonstrating that hops are capable of providing a wide range of elegant notes that give this beer a unique personality.	
<b>AMBAR 1900</b>	4,00€
At 4.8% alcohol, Ámbar 1900 breaks the canons of what is expected of an ale beer. Moderately bitter, it is very smooth on the palate and full of fresh fruit and freshly baked malt. Thus, 1900 is a sophisticated, subtle and nuanced beer.	
<b>AMBAR ESPECIAL</b>	3,50€
Ámbar especial is an amber-colored, medium roasted pilsner lager. With 5.2 degrees of alcohol and a selected variety of barley, the roasting of the malts gives it a sweet flavor that balances the bitterness of the hops.	
<b>AMBAR EXPORT</b>	4,00€
Three malts, double fermentation period and slow maturation in the cellar. This is Ámbar Export, a beer made without haste. At 7 proof, Ámbar Export is an exceptional roasted beer, reddish, rich in aromatic nuances and with a dense creamy head. More body, more flavor and more character for a beer that is enjoyable.	
<b>AMBAR IPA</b>	5,00€
With 45 ibus, and 5.7 degrees alcohol, our tribute to this iconic style of the brewery is a proposal of tolerable bitterness that stands out for the complexity of flavors and aromas where floral, citrus and tropical fruit notes predominate.	
<b>AMBAR LIMÓN</b>	4,50€
Beer with lemon. That was the challenge, to achieve a balanced blend that combined our usual Ambar Especial with lemon juice while maintaining all the essence of the beer and the freshness of the fruit. An ideal beer alternative with 2.5% alcohol by volume.	
<b>AMBAR SIN GLUTEN</b>	4,50€
Ambar suitable for Celiacs is one of the first gluten-free beers in Spain. It maintains the same taste, body and aroma as your usual Ambar.	

# LIQUORS

## APERITIVE

CAMPARI 7,00€

Its origins date back to 1860 in Novara, in the Piedmont region. The ingredients include herbs, spices, grated fruit and peel, among which quinine, rhubarb or bitter orange, grapefruit and ginger stand out. The color, according to the myth, was obtained from the turtle shell, although nowadays cochineal is the colorant used in the liqueurs to obtain the red color.

## WHISKY

<b>JACK DANIELS</b>	12,00€
Born in the state of Tennessee, it gives off a powerful and sweet aroma of oak and cocoa that, when it enters the palate, begins a festival of sweet, bitter flavors with a touch of acidity.	
<b>JAMESON</b>	10,00€
The taste of Jameson Irish whiskey is different, this difference lies in the triple distillation: the triple distillation makes it much smoother and fuller at the same time.	
<b>JIM BEAM</b>	12,00€
Very elegant, smooth and refined bourbon. The taste is very smooth, with some slightly spicy vanilla and caramel finishing touches.	
<b>LAGAVULIN 16</b>	25,00€
It is the perfect whiskey for lovers of intense aromas of peat and strong sensations. In the mouth it is very thick and rich. A massive mouthful of malt and sherry with good fruity sweetness. Big, powerful peat and oak.	
<b>JOHNNIE WALKER ETIQUETA NEGRA</b>	14,00€
On the palate, it is a smooth and elegant whiskey with smoky notes that do not hide the other nuances. Pleasant fruity notes are perceived that come accompanied with a touch of honey, bittersweet nuts, with a spicy touch, leaving a medium-long finish, with a citrus touch accompanying the smoky notes.	
<b>TALISKER</b>	18,00€
